

Privacy Policy

Effective Date: June 1, 2025

App Name: *Guess Go*

Your privacy is important to us. This Privacy Policy explains how we handle information in *Guess Go*, a casual puzzle game designed for users of all ages, including children.

1. No Personal Data Collection

We do **not** collect, store, or share any personal information from users of this app. We do not require account creation, login, or any personal identifiers.

2. AdMob Advertising

Guess Go displays advertisements through **Google AdMob**, which may use cookies or device identifiers to serve contextually relevant ads. We have configured the app to treat all ad requests as **child-directed** under the **Children's Online Privacy Protection Act (COPPA)**.

For more information on how Google uses data from AdMob, please visit:

<https://policies.google.com/technologies/ads>

3. No Location Tracking

The app does not collect or use any GPS or location data.

4. Offline Use

This app can be played entirely offline. No internet connection is required, except to load ads if available.

5. Subscriptions and Purchases

We offer a subscription to remove ads from the game. All transactions are handled securely through the Apple App Store or Google Play, and we **do not collect or store any personal or payment information** related to your purchases.

We do not track your identity or behavior beyond what is handled by platform services (e.g., Apple or Google).
